

TROUBLESHOOTING WORKSHEET

SKILL TAUGHT: _____

List two things you did well in this teaching session:

1.

2.

Troubleshooting Questions

A. Did you set the stage for the teaching session by planning?

Where?

When?

With What materials?

What more could you have done?

B. Did you remember to reward the “get ready” skills:

Coming

Looking

Sitting

Waiting

C. Did you have the skill broken into small enough steps?

D. Did you:

Use simple, clear directions (*tell*)?

Model the steps (*show*)?

Use physical guidance when necessary (*guide*)?

E. Did you backward chain the skill?

F. Did you use rewards?

List them here:

Did you reward immediately, consistently and contingently?

Are your rewards appropriate and effective?

G. Did you fade your guidance and rewards as your child performed better?

H. How did you handle the problem behavior?

I. Did you end the session with success?

J. Did you keep records of steps, progress and problems?

Overall, what would you like to do better?
