

Acknowledgement of Rates for Any Services for Legal Purposes

I acknowledge that any request of letter to be generated for legal purposes (of any kind) or any legal request (such as any response to subpoena, witness/testifying of any kind) or activity that is related to or used for legal purposes (such as progress notes and document review prep time) will be charged at a rate of \$250* per hour (or any fraction thereof). Fees apply to any service outside of treatment paid for by IMCS Group, cash pay, other contracted insurance or entity (such as Children and Family Services). These fees must be paid in advance for the agreed upon service and time allotment.

For example: a response to an appearance to appear in court is at a rate of \$250* per hour and time is calculated door to door with a 3 hour minimum. There is a charge for progress note/document review prep time (this is important for prep for any type of case).
